Albion in the Community's Cup Final Project offers a FREE membership scheme that allows young people who live in partner housing association accommodation the opportunity to access FREE football and sport sessions throughout the year.

The sessions are delivered throughout the year including evening and weekend sessions as well as a school holiday programme throughout various regions of Sussex and Surrey.

The aim is for 7 to 18 year olds, however good at football they are, to have a great time, make friends, improve their skills- and have fun doing it.

Hannah Hamilton
Cup Final Football Coach

Our weekly run Thursday sessions are both inspiring and rewarding, as we all appreciate Mark Slider & Alan Atkinson taking the time to make our week all that much better. Myself and all the other young adults enjoy the sessions as we have something to excel in and to do it with something we all enjoy doing.

My opinion is that the Thursday sessions don't only allow us to play football but also allow us to respect one another and to gain trust in each other. Without the Thursday sessions there would not be anything for young people to do.

It brings release from pressures that young adults as ourselves have to deal with. I have found that these past 2 years that the sessions have been running have been both rewarding and inspirational..

It's not very often someone like me is given the opportunity to become a football coach, whether it be level 1 as i am myself, or looking further on to a level 2 or 3. And with great respect i appreciate all the help and guidance i have been given..

I'm privileged to be able to work along side Mark and Alan and hope to carry on towards my level 2.
