

Worthing Homes Residents Panel

*This panel is for everyone from 21 to 101.
However old you are, share your ideas.
How would you like your community to be changed?
What would you like your home to be like?
Receive information and give feedback
(Worthing Homes listens).
Learn new skills and gain new experiences*

- ✓ Would you like to learn a new skill or understand housing issues – improve your job prospects with learning opportunities to suit you?
- ✓ Are there any issues in your area, are there more facilities needed – maybe a better equipped play area, or advice on how to use the internet.
- ✓ Would you like to bring your neighbourhood together for an event – a ‘get to know you’ activity afternoon was held with Warners’ Parade residents.
- ✓ Do you want to improve your environment – put a mural on an unsightly wall or improve the lighting where you live?

If you want to improve your community then join the Residents’ Panel.

The Panel meets every 3 months.

There are training opportunities for panel members.

Work *with* Worthing Homes to make the best of your community.
